Southern Illinois University Carbondale

ECE 523 – Low Power VLSI Design
Spring 2014

Instructor: Themistoklis Haniotakis
Office: ENGR E-220
Phone: 453-7026
Email: haniotak@siu.edu

Lecture: A-207; TR 12:35-1:50
Office Hours: Monday-Wednesday 1:00 to 2:30pm, Tuesday-Thursday 2:00-3:30pm or by appointment

Prerequisite(s): ECE-423 Digital VLSI Design

Course Objectives: The student should understand the concepts of Low power VLSI Design. The student should also be able to utilize appropriate tools for designing IC circuits that meet specifications and be able to verify by simulation the correct operation of the designs.

Text
LOW POWER DESIGN METHODOLOGIES
Edited by Jan M. Rabaey
Massound Pedram
KLUWER ACADEMIC PUBLISHERS ISBN 0-7923-9630-8

Topics:
- Introduction to the concept of Low Power Design
- Device and Technology Impact on Low Power Electronics
- Low Power Circuit Techniques
- Energy recovery CMOS
- Low Power Clock Distribution
- Logic Synthesis for Low Power
- Low Power Arithmetic Components
- Low Power Memory Design
- Low Power Microprocessor Design
- Applications for Low Power Design

Grading/Evaluation:
Two exams 35% each
Projects/Labs 30% (Use of CADENCE required)
Completing the exams in the designated time is an essential part of course requirements!
Classroom Policies: Classroom Policies:
A. Attendance Policy: Attendance will be taken for statistical purposes, does not count towards grade but the students are expected to attend. Exam days and lab assignments will be announce in the class and students are responsible for obtaining that information.
B. Late Homework/Missed Exams: If a student miss an exam for a serious reason (illness, etc) a make-up exam will be provided. There are restrictions for the date and time; please contact as soon as possible the instructor. If the instructor is not notified early enough, the points obtained for the particular exam will be zero.
C. Mobile Technology Policy “N/A”.

University Policies
A. Incomplete Grades: An INC is assigned when, for reasons beyond their control, students engaged in passing work are unable to complete all class assignments. An INC must be changed to a completed grade within a time period designated by the instructor but not to exceed one year from the close of the term in which the course was taken, or graduation, whichever occurs first. Should the student fail to complete the course within the time period designated, not to exceed one year, or graduation, whichever comes first, the incomplete will be converted to a grade of F and the grade will be computed in the student’s grade point average. Students should not reregister for courses in which an INC has been assigned with the intent of changing the INC grade. Re-registration will not prevent the INC from being changed to an F.
B. Academic Integrity: You are expected to submit your original work and adhere to the academic policies as stated in the SIU Student Conduct Code: http://sru.siu.edu (listed under Additional Links). Any act of academic dishonesty, cheating, or plagiarism in any form, including anonymous internet sources used in student papers, will be reported. These acts are taken seriously and the consequences may range from failing as assignment to expulsion from the university.
C. SIU Email: Your SIU email account is an official form of University communication. Your instructor will use SIU email as a primary means of electronic communication with students. Please make sure that you maintain a valid password and acquire the habit of regularly checking your SIU email account for important instructor and University announcements. You may view the official SIU Student Email Policy at: http://policies.siu.edu/policies/email.html.
D. Emergency Procedures: SIU is committed to providing a safe and healthy environment for study and work. Because some health and safety circumstances are beyond our control, we ask that you become familiar with SIU Emergency response Plan and building Emergency Response Team (BERT) program. Emergency response information is available on posters in buildings on campus, available on BERT’s website at http://www.bert.siu.edu/, the SIU Department of Public Safety’s website www.dps.siu.edu (disaster dropdown and video, “Shots Fired”), and in the Emergency Response Guideline pamphlet. Know how to respond to each type of emergency. Instructors will provide guidance and direction to students in the classroom in the event of an emergency affecting your location. It is important that you follow these instructions and stay with your instructor during an evacuation or sheltering emergency. The Building Emergency Response Team will provide assistance to your instructor in evacuating the building or sheltering within the facility.
E. Supplementary Assistance: SIU is committed to assisting students with disabilities. With the cooperation of SIU’s Disability Support Services (DSS), each student who qualifies for reasonable supplementary assistance has the right to receive it. Students requesting supplementary assistance must first register with DSS in Woody Hall, B-150, 618-453-5738 or 618-453-2293 (TTY), by email DSS@siu.edu, or http://disabilityservices.siu.edu/. Notice: If you have any type of special need(s) or disability for which you require accommodations to promote your learning in class, please contact me as soon as possible. The Office of Disability Support Services (DSS) offers various support services and can help you with special accommodations. You may wish to contact DSS to verify your eligibility and options for accommodations related to your special need(s) or disability.
Student Services

A. Writing Center: The Writing Center offers free tutoring services and assistance with improving writing skills to all SIU undergraduate students and faculty. For center locations and hours, to schedule an appointment online, and to view information regarding the Online Writing Lab (OWL) contact the Writing Center at 618-453-1231 (Morris Library location); 618-453-2927 (Trueblood location), or www.write.siu.edu.

B. Saluki Cares: The purpose of Saluki Cares is to develop, facilitate and coordinate a university-wide program of care and support for students in any type of distress—physical, emotional, financial or personal. By working closely with faculty, staff, students and their families, SIU will continue to display a culture of care and demonstrate to our students and their families that they are an important part of the community. To make a referral to Saluki Cares click, call or send: http://salukicares.siu.edu/index.html; 618-453-5714, or siucares@siu.edu.

C. Career Services: The services offered include: on-campus recruiting, job postings, workshops, events and career fairs, one-on-one counseling, major and career exploration, internships, and job searches.

Please note: Syllabus is subject to change. Students are responsible for announcements made in class or announcements posted on D2L.
