Directions to SIUC at Scott AFB

From Hwy 64:
Take Exit 19-A/Rt 158 South (Scott AFB exit) to second stoplight (Seibert Rd.).
Turn left on Seibert Rd. and proceed to the Shiloh gate entrance.

From Carlyle Avenue/Rt. 161:
Take Rt 158 North to second stoplight (Seibert Rd.). Turn right onto Seibert Rd and proceed to the Shiloh gate entrance.

At the Shiloh gate entrance to the base, turn left into the parking area for the Visitor Control Center (VCC). This is the first building inside the gate. (The Visitor Control Center is open from 6:00 a.m. to 6:00 p.m. on Monday through Friday. It is open from 8:00 a.m. to Noon on Saturday, and it is closed on Sunday.)

Once inside the VCC, you will take a number and then have a seat. When your number is called, you go to the counter and tell the representative that you are an SIU student taking weekend classes on Base. They will ask for your driver’s license and run a background check. Once you have your pass, go back to your car and drive to the Gate. The guard at the gate will ask to see your pass.

If there is a problem, please call the Building Monitor at 618-256-4838. Her name is Charlotte Walters and she will have a copy of the Base Pass List and be able to confirm that you are a student in the SIU IMAE program.

Once you are on Base, you will need to watch closely for posted speed limits as these are strictly enforced. In most areas, the speed limit is 30; in some areas, it is 20 mph. In parking lot areas, the speed limit is typically 10 mph.

From the gate: Proceed to the 2nd stoplight (W. Birchard St.) and turn right. Proceed 2 blocks and turn left into the large parking area in front of Burger King. The Education Center is the long building next to Burger King. Park and enter through the double doors beneath the orange “Education Center” sign.

At this time, all IT courses are meeting in Room 96.

DO NOT USE A HAND-HELD CELL PHONE WHILE DRIVING ON BASE!
